

April 7, 2021 Part 1

Good Afternoon AAS Club Presidents and Head Coaches,

AAS is still awaiting clarification on the number of groups permitted in a pool, playing field, ice surface etc. at any one time. Once we have this clarification, we will provide a full update to all clubs immediately.

In the interim, clubs are sanctioned to proceed as per the health measures and Alberta Artistic Swimming requirements that we have been following since February unless you hear otherwise from either AAS or your respective facility.

As a reminder these provincial measures can be found [here](#) which includes but are not limited to the following.

- Maximum of 10 total individuals, including all coaches, trainers, and participants per group.
- 3 metre of physical distance for all indoor activities must be maintained at ALL times.
- Participants must be masked at all times, except during high intensity physical activity.
- Coaches and trainers must remain masked at all times.

Thank you once again for your continued commitment and dedication to following all Alberta Health guidelines and the Alberta Artistic Swimming requirements within our Return to Artistic Swimming 2020-2021.

We know our clubs have also put in additional protocols over and above those of Alberta Health to ensure the safety of our members and we thank you. The announcement yesterday would suggest that the Government of Alberta is seeing the efforts that youth and collegiate sport are doing to contribute to a safe return to sport so keep up the good work!

Sincerely,

Jennifer Byrne Luzia (She, Her,
Hers)
Executive Director
Alberta Artistic Swimming
