

CLUB COMPLIANCE CHECKLIST

Any individual who will be participating with the club in any capacity is only eligible to do so when they have issued status. Without issued status the individual is NOT a member and NOT insured. This leaves board members vulnerable to personal liability and the club will be sanctioned accordingly.

It is the clubs responsibility to be aware of the compliance requirements when registering

BOARD MEMBERS AND REGISTRARS

Must be registered associate members with issued status

Check the registration package and/or FAQ's for more details on the [AAS website](#)

- Club elections after September 1st (during the new season)
 - All board members from the previous season must be registered by September 3rd
 - New board members must register and have issued status within five (5) business days after elections
 - Submit a new roster to AAS immediately following elections
- Club elections prior September 1st
 - All newly elected board members must register and have issued status within five (5) business days after elections unless club bylaws state the the new board starts September 1st.
