

### MEMBERSHIP BALANCE OWING

If you receive an email from AAS or CAS through RAMP indicating that you have an outstanding balance, you must pay that balance to ensure you are a member in good standing.

Login into your RAMP account through your club's portal. Please contact your club registrar to access to this link.

Click on 'Transactions' link and then 'Pay Membership Balances'.

If you have received an email for outstanding balances from AAS, yet your account does not show an outstanding balance. Please take a screenshot of your 'Current Balances' screen and send it to [Jennifer Flowers](#). This will be followed up with RAMP.

AAS will be doing a Memberships Check following fall registration and periodically throughout the season. Any member with an outstanding balance will receive an email through RAMP which will include the balance owing for AAS and how to pay the balance owing. CAS will do this as well for any balances owing to them.
